

The Address for 21st Century Business

If your company is looking for a new place to call home, let us introduce you to Oakbrooke Business & Technology Center, the newest office park in THE place for business in the Mid-Atlantic Region.

Chesapeake has a reputation as a city of successful businesses. Oakbrooke Business & Technology Center will help ensure more companies can join this group.

Located in the southern portion of the Greenbrier area, near the intersection of the Chesapeake Expressway and Kempsville Road, Oakbrooke is a 120 acre business campus offering all of the amenities a successful business needs: easy access for clients and employees; close proximity to restaurants, hotels, shopping and entertainment; full fiber telecommunications and data infrastructure; and an abundance of daycare and healthcare facilities. And, don't forget that environment of other successful businesses!

Designed to complement the largest and most successful Planned Unit Development (PUD) in Hampton Roads, **Oakbrooke Business & Technology Center** is an extension of the Greenbrier Business District, and is minutes from such international corporate leaders as Mitsubishi Chemical of America, Dollar Tree Stores corporate headquarters, Volvo Penta of the Americas, EDS, Yupo Corporation America and Cox Communications.

The park will include a 3.5 acre central lake surrounded by tree-lined walking trails.
